RE: December 2010 Monthly Report

During the month of December the West Lafayette Police Department received **1942 calls for service**, a decrease of 312 calls (14%) from November, and an increase of 624 calls (47%) from December 2009.

The WLPD Narcotics Unit made several key arrests in December at the conclusion of a pair of lengthy investigations. The unit seized over 19 ounces of marijuana and approximately \$8,700 in cash as a result of these investigations.

Arrests were also made this past month related to a shooting at a city night club. After intense investigation and with the assistance of the Indianapolis Metropolitan Police Gang Unit, WLPD detectives arrested the two individuals that fired shots outside the club where an individual was shot and was left paralyzed.

WLPD officers waited tables in December at Nine Irish Brothers to raise monies for the annual Shop With A Cop program. Just before Christmas, officers were able to shop with 18 under privileged kids and provide them with needed clothing and other items.
